Training People That Care

CHC50121 DIPLOMA OF EARLY CHILDHOOD EDUCATION AND CARE

COURSE OVERVIEW

The **CHC50121 Diploma of Early Childhood Education and Care** prepares you to take on leadership roles within the early childhood sector. You'll learn to design, implement, and evaluate curriculum programs using approved learning frameworks, while addressing the developmental needs, interests, and individual differences of children. This course also equips you to navigate the Education and Care Services National Regulations and the National Quality Standard, while developing the skills to lead, mentor, and support a team of educators as you progress in your career.

This course is ideal for those looking to build on their existing skills and take the next step in early childhood education. To enrol, you must hold the CHC30121 or CHC30113 Certificate III in Early Childhood Education and Care. With the early childhood sector recognised as a key growth area in Australia and strong job prospects for qualified educators (Australian Government Job Outlook), this Diploma offers a rewarding pathway forward. TTM students report over 90% satisfaction, graduating confident, capable, and career-ready.
